Where music brings the family together every day, a recreation shared by old and young alike, there is a lasting pleasure in owning a

HAMILTON

PIANO

The tone is pure, brilliant, sympathetic. Extreme care in the selection of materials and finished workmanship give these tone qualities the *life* that is the very basis of satisfaction.

40,000 NOW IN USE.

Because of its resistance to climatic changes - - *the* test of durability - - HAMILTON PIANOS are sold all over the world.
