INSTRUMENTAL.

The Shepherdess. (Die Schäferin.) By GEORGE WILSON. 40 Cents.
(Idyll for the Piano Forte.)
This is a strikingly beautiful piece; with more originality than is found in most pieces of this kind; a splendid and showy composition for Parlor, Exhibition or Concert purposes.

Riding Gallery Schottisch. - By CHARLIE BAKER. 35 Cents.
The above composition is certainly one of the liveliest little dancing pieces published for some time past. Everybody cannot fail to remember the CHAMPION SCHOTTISCH, (of which nearly 200,000 copies were sold). This one is by the same author, very brilliant, not difficult; can be played on any PIANO or ORGAN; bound to become popular everywhere.

Rising Star Mazurka. - - By Miss BELLE GOODE. 30 Cents.

Remember Deeds of Kindness Waltz. - By J. WYMOND.

She's as Bright as the Stars in Heaven March. By J. WYMOND.

PRICE, 20 CENTS EACH.

Will surely become great favorites as they are intended for pupils who have only taken one quarter of instructions. Key of C; easy and pleasing; will certainly fill a want long wished for, as it has been so difficult heretofore to have authors write compositions for beginners, with an easy bass.

The foregoing are the **Most Popular of American Compositions,** and will be sent to any address in the United States, FREE OF POSTAGE, upon receipt of MARKED PRICE, by addressing as above.

N. B.—If the above Compositions can not be obtained from your regular Music Dealer, don't fail to address the Publisher, as he pays prompt and personal attention to all orders by mail. **New and Second-Hand Church and Parlor Organs,** at prices to suit all classes of buyers—or will be rented so that the rent will pay for the Organ. Remember the **CHAMPION PARLOR ORGAN** has taken the Highest Premiums wherever exhibited. Price-lists sent free upon application. Address as above.

F. W. HELMICK'S

CHAMPION ORGAN.

ACKNOWLEDGED BY SUPERIOR JUDGES TO BE

TH. MUSICAL INSTRUMENT OF THE PRESENT DAY.

These remarkable instruments excel all others of their class in their **Beautiful Quality of Tone, Thorough Construction, Extraordinary Power, Elegance of Style and Beauty of Finish,** also, their **Great Variety of Musical Effects,** obtained only by the use of a

PATENT BELLOWS AND REED CHAMBER.

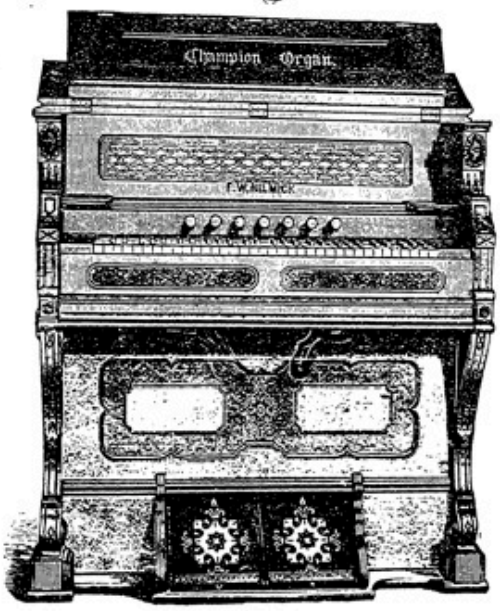

Their great success is not due to advertising, but to the real merits of the instrument.

Having won for themselves the confidence and admiration of Teachers, Professors and the public in general wherever introduced, for their

Superior Tone,

Durability,

Design & Finish.

Mr. F. W. Helmick,

The Proprietor of the

Champion Parlor Organ,

Pays particular personal attention to the manufacturing department, employs only the finest mechanics and inventors, and as a natural result, produces an instrument embracing the finest and most wonderful combinations ever known to the musical world.

THE CHAMPION ORGAN

Is to day the only instrument made in this country that has **obtained its reputation** without the aid of extensive advertising, which fact no one can deny. Their peculiar arrangement and construction gives them extraordinary power. The new Bell Solo Stop is the finest invention ever known to the musical public, and is of great importance, supplying to the organ an element of life and brilliancy that has never been equaled. These organs are sold everywhere, at fixed prices, which are printed on the photographs, subject to no discount. As it is often the custom of dealers to recommend other organs, because they can obtain larger discounts, there is certainly one thing the public should remember and bear in mind: If a man makes a cheaply constructed article he can give large discounts, this I cannot afford to do, and in order to benefit the general public I make a good organ and sell it at a reasonable living price. If you will only look at this organ before you buy any other, you can easily convince yourself that you are getting more for your money by buying the **CHAMPION ORGAN.** These standard instruments are sold by all respectable music dealers. Will be sold throughout the United States, on the installment plan, that is, on a system of monthly payments of **$10.00, $15.00, $20.00, $25.00** and **$30.00** per month until paid for.

Agents wanted in every city and town where the Champion Organ is not already represented.

The demands for these organs have increased very rapidly within the last year, and no one should purchase an organ without ascertaining by personal observation, the beauty and perfection of this instrument. All correspondence will be promptly attended to, and circulars will be sent free to any portion of the United States or Canada, upon application. Address
